

THE REVOLUTION

OUR VISION

To radically change the landscape of HealthCARE forever.

OUR MISSION

Our family-based organization will revolutionize the healthcare industry through a culture of resident-centered healthcare services, personalized spirituality, real quality of life initiatives and stakeholder education and empowerment, to earn the trust of every resident, family and community we serve.

LEARNING

THE POWER OF HOPE IN HEALING

A company cornerstone is the **SPIRITUALITY** pillar; interfaith Signature Chaplain Corps. Full-time chaplains serve through bold listening, hope and humility, striving to meet residents, employees and family members where they are, at the point of their spiritual need.

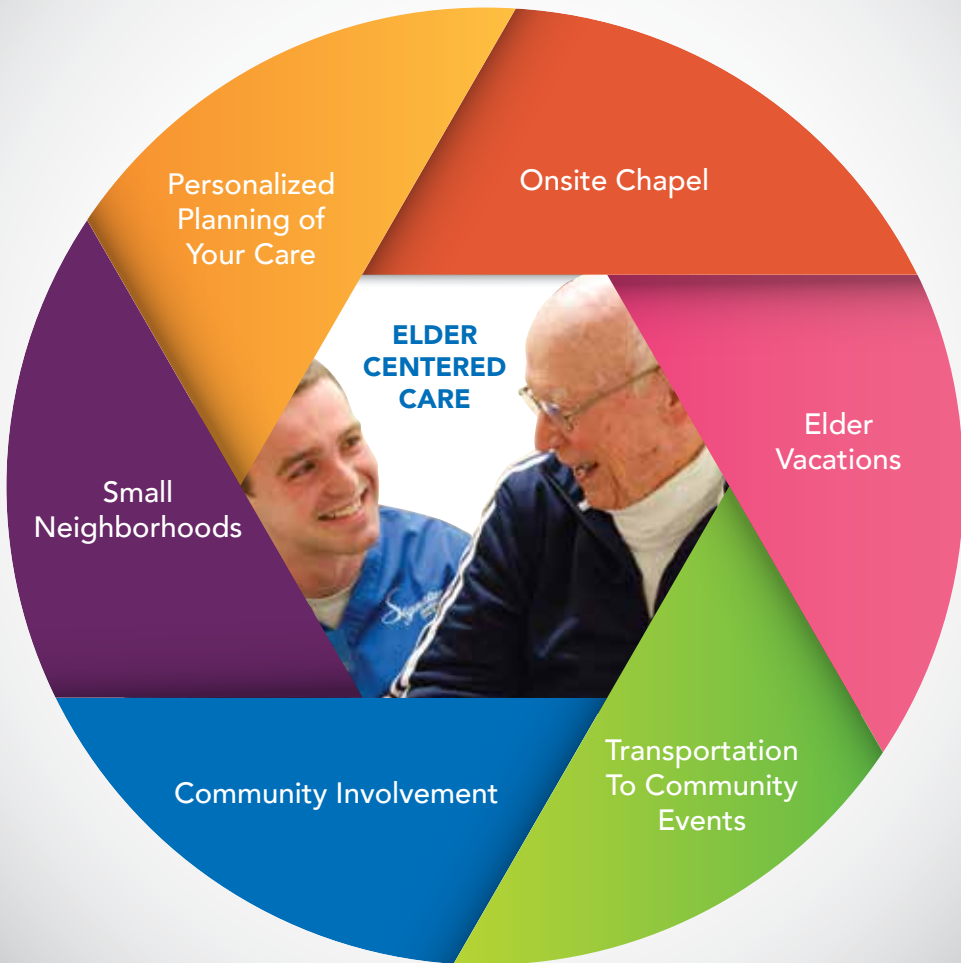

MAKING A DIFFERENCE

The **INNOVATION** pillar was founded on the notion that great ideas can come from anywhere. Signature HealthCARE encourages stakeholders at all levels of the organization to be vocal about their ideas to improve the lives of patients and clients.

GREAT LEARNING. GREAT RESULTS.

At Signature HealthCARE, our award-winning **LEARNING** pillar delivers first-rate education and training opportunities with you in mind. We believe revolutionary and lifelong learning has no limits, must create a competitive advantage and change lives for generations.

**RIGHT CARE,
RIGHT TIME,
RIGHT PLACE.**

A vibrant, wide-angle photograph of a downtown street. The street is lined with historic-style buildings, including a prominent brick building with a clock tower on the right. American flags are displayed on poles along the sidewalks. The street is paved and has several cars parked or driving. In the background, a lush green hillside rises under a clear sky. The overall atmosphere is bright and welcoming.
